

COMBAT VETERANS MOTORCYCLE ASSOCIATION

Vets Helping Vets

Potential Supporters:

We would like to take this opportunity to thank you for considering making a donation to our annual Combat Veterans Benefit Ride. All of the money raised goes directly to helping Veterans in need. We are a group of Veterans who have had the privilege and the common bond of serving in actual combat for our Country. That is what qualifies us for membership in the CVMA. Our love of riding motorcycles and helping other Vets is what cements that bond.

Combat Veterans Motorcycle Association is a nationally recognized 501(c)3 non-profit association. The way our particular chapter raises money is through our annual benefit ride. Our 2021 ride will be held on May 7th. We charge a nominal entrance fee to participate in the actual ride. At the end of the ride, we have both a silent auction and a live auction. All of the funds raised go directly to helping Veterans nationwide. This will be our eleventh year. In the past ten years, we have raised over \$250,000 thanks to individuals and businesses like yourselves who have unselfishly donated to this cause. Some of the organizations helped by the money raised are:

Purple Heart Homes	Patriot Rovers	Camp Corral
Veteran Restoration Quarters	Patriot Hunts	Welcome Home Veterans

And many other transitional housing centers and individual veterans in their time of need

We are asking for and would greatly appreciate any form of donation you can make: monetary, gift card, gift certificate for product/service of any kind, or an item for one of our auctions. We are happy to receive your donation today or we can schedule a pick-up time. If you would prefer to mail monetary or gift card donations, please send to:

We will list your business name and website on www.CVMARIDE.com as a way of saying "Thanks" from the Veterans you directly help. Our website annually registers over 15,000 hits! You are helping to change the life of a Veteran in need. Again, thank you from all of us who have served our country proudly, and continue to serve our fellow Veterans!
